MEMORANDUM FOR: Continuity and Contingency Working
Group Members

FROM:

Chairman

25X1

SUBJECT: Working Group Report

1. As we agreed when we adjourned on the 3rd, a draft Working Group response has been prepared for your review and comment.

2. I suggest that you take a hard and even critical look at the document. Please elaborate on those points you feel qualified to address and modify or delete that with which you are uncomfortable or are not in concurrence.

3. We look forward to your feedback and hope to have a final report ready by 4 December. To meet this schedule we will need your response by 25 November.

4. If there is significant disagreement with the draft, we will reconvene in an attempt to arrive at a consensus. If that fails, we can include dissenting comments in the final report.
